

The Obituary of **ROBINSON MBOLOMA**

24th Oct. 1964—11th Feb. 2022

The New Apostolic Church Relief Organisation (NACRO) profoundly shares in the grief and in the fond memories of ROBINSON MBOLOMA.

At Zambia's independence, 24th October 1964, Robinson Mboloma was born and went on to live a life of due regard for others up until his death on 11th February 2022.

Robinson Mboloma joined NACRO on 6th November, 2017 as a Business and Enterprenuership Manager—a position he held until his resignation from the organisation on 20th August 2021 to join the Netherlands Development Organisation (SNV). He was, prior to this, a volunteer in NACRO who demonstrated service for the community in his unique interpersonal skills and the rare gift of breaking social barriers.

Robinson Mboloma obtained his BA in Development Studies from the Open University of Zambia and was studying for his Masters Degree at the time of his demise.

NACRO celebrates his humility, maturity and willingness to learn from others. We remember him as a level-headed and mature person who was not easy to offend. He was an open-hearted and open-minded person who loved to lead from behind.

In love, our prayers and sympathy are with his dear family.
